**When our world changed in March 2020,
do you know the one question we received more than any other?**

HOW CAN I HELP?

Countless calls, emails and texts came in from amazing people whose prevailing thoughts were about stepping up to serve others. That thought alone inspires us and carries us through the toughest of times. It gives everyone hope to have such generous givers amongst us!

This is why our 2021 Virtual Volapalooza - a FREE celebration of volunteers - is even more special. We did not want to go another year without acknowledging their remarkable example. Volunteer leaders literally made it possible for our community to receive critical support during the past several months. We simply cannot imagine the fate for thousands of nonprofit organizations if volunteers had not stepped up in tremendous ways, big and small.

Join us as a sponsor partner of Virtual Volapalooza 2021 as we honor over 100 local volunteers. We would be honored to have you share in our gratitude for all Volunteer Honorees whose dedication to service reminds us of the best in humanity.
