Simply put, service to others is powerful.

“Giving DuPage is a crucial part to the NPO nonprofit landscape. It truly helps build bridges between organizations and helps connect missions and needs with one another.”

DuPage County is home to over 900,000 residents, 40 municipalities and thousands of businesses, schools, faith & community groups.

Giving DuPage uniquely serves the region as THE DuPage County Volunteer Center, with a mission to promote giving and volunteering countywide.

Established in 2001, our organization was created to be a connector agency between those who want to do some good and local community organizations looking for help.

Giving DuPage mobilizes volunteers, provides capacity-building resources for civic engagement and inspires our local community to serve.

We are a trusted partner to 400 nonprofit organizations and are connected to a large network of local municipalities, schools, faith groups and community organizations.

Volunteer Portal

A website featuring 775+ volunteer and 400 nonprofit organizations and generating 5 volunteer connections daily.

"The Volunteer Portal is an excellent resource, especially in the days of COVID. New options are evolving as organizations modify their programs offered to those seeking to contribute to the community."

The Board Match Program

Recruits, matches and places individual candidates to nonprofit board service.

"We met our current Chairman of the Board thanks to Giving DuPage's Board Match Program."

NonProfit Training Programs

Provides nonprofit training programs, with over 1,000 attendees, across the Executive Director Network, the Partnership with the NIU Civic Leadership Academy, Virtual Training Webinars, and the Annual DuPage Nonprofit Conference/Workshop.

"I think that the support/training opportunities you offer to the nonprofits in our community is absolutely one of the best programs I have seen in my 20+ years of service to nonprofit organizations."

- **Executive Director Network** — *"Great information and opportunity to network with other nonprofit executives."*
- **NonProfit Conference** — *"Out of all local events that I have attended over the years, the conference left me most inspired. I went back to the office and insisted our whole admin team go the following year."*
- **Webinars/Training** — *"...Thank you for the great series of webinars you've sponsored. They have done me a world of good, and came when I truly needed them. Thank you for all you do!"*

Giving DuPage Days

A 5-day virtual community fundraiser that has raised over \$995,000 for hundreds of local charities.

"Thank you for organizing this event in such a unique time in history to make sure our nonprofit voices were heard."

— Anonymous, from Participating Charity, May 2020

A signature countywide volunteer recognition event, to honor and celebrate over 150 amazing volunteers every year.

"This is our opportunity to celebrate volunteers beyond what we could do as an organization."

VISION: Cultivating a fully engaged community through the power of service.

MISSION: The Giving DuPage mission is to promote giving and volunteering.

When people connect to passion and purpose, they can more fully realize their potential and be more authentically empowered.

“Over the years, Giving DuPage has grown and offered nonprofits opportunities to learn, grow, and develop, as well as provided resources to support organizations. As we look to 2021 as being post-pandemic, the way we operate will change and Giving DuPage is a valuable resource to the community and to the people in the county. Continue to do great work!”
